

How to use the Dominican ticket purchasing system

- 1 **Navigate to the Dominican ticketing link through the Italian Film Festival website. You will see the link on the current ticketing information page, and that link will take you here:**

- 2 **Once you are here, you will see the following information: Where you can click on the green "GET TICKETS" button for the showing you would like to attend.**

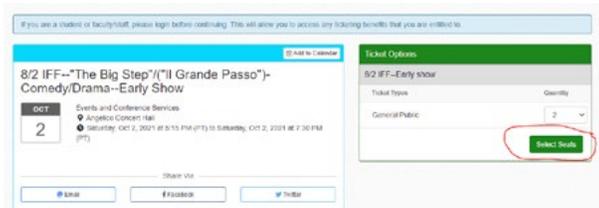

3 This will take you to the next page:

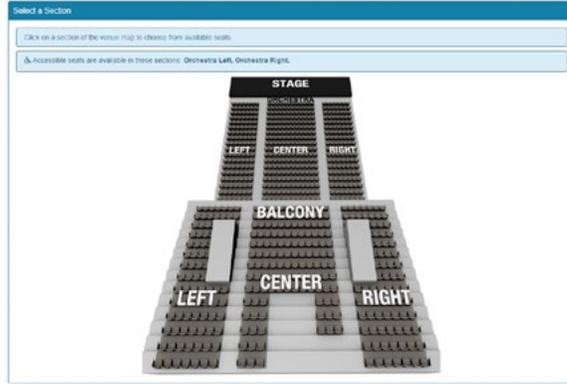

4 Under the "Ticket Options" heading, you will need to select the number of seats you will be purchasing for the selected event. This is done with the pull-down menu under the Quantity heading.

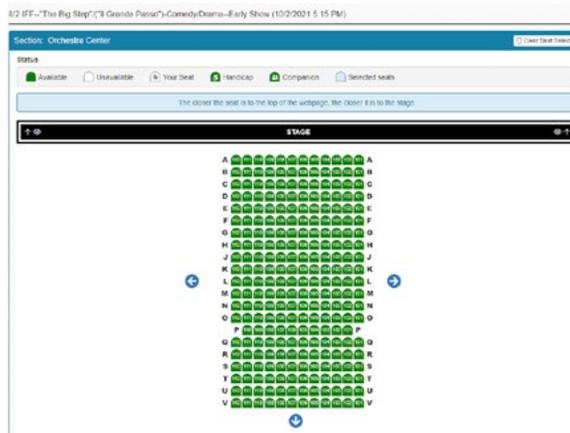

Once you select the quantity of seats you would like to purchase, you will click the "Select Seats" button underneath:

5 You will then be taken to the seat selection page where you will choose the seats you'd like.

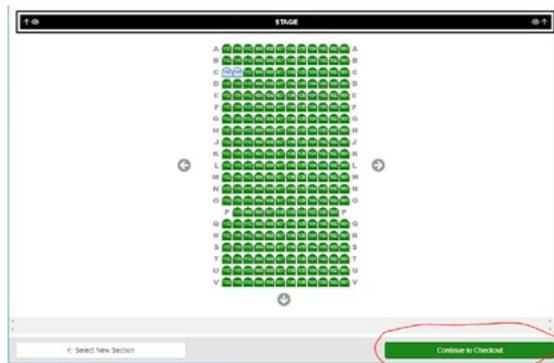

6 Click on a section. We have chosen the Orchestra Center section:

7 Your seat choices will be highlighted in light blue.

8 Then you click the "Continue to Checkout" button at the bottom of the page:

9 You will then be taken to the cart to check out and asked to e-sign the waiver.
